## About Us

Janshakti Textile Mills Limited is a budding organization that deals in products such as Raw White Cotton Yarn, Cotton Yarn, Pure Cotton Yarn, etc. Although being relatively new in the business, we have established ourselves as one of the leading manufacturers, suppliers, and exporters of such items. Our products are used in various industries to make high-quality products. These items are used in the manufacturing of clothes, fabrics, bedsheets, socks, curtains, etc. People look for pure cotton raw materials, and we supply them just the same. We guarantee that these products will be delivered on time. Our strong market presence has helped us gain customers from all over India. Our cotton yarns are incredibly strong and durable. Moreover, we supply these products at competitive market prices. Being perfection-focused, we make no compromises with the quality of these products. We offer our customers a varied range of products to choose from, and these products cater to the requirements of many customers.

Janshakti Textile Mills Limited started doing its business in 2020 in Ahmednagar, Maharashtra. Known today as one of the leading manufacturers, suppliers, and exporters of products such as Pure Cotton Yarn, Raw White Cotton Yarn, Cotton Yarn, etc., our company has come a long way since its establishment. We have constantly upgraded our policies according to the market developments and needs of the company. The policies of our company ensures customer and employee satisfaction. It helps in the growth of our company and motivates our team to work harder for the growth of our company. We have also drafted many marketing policies which not only has gained us a lot of traction but also have helped us attract many new customers.
